How to Register for Summer Camp

You can access our Online Registration System from our website www.girlsincofbaycounty.org in the menu under “Parent Access” or through the Summer Camp link on the “Program” page.

If you are **enrolling for the first time**, you will first need to establish your online account following the steps outlined in “How to use the online registration system” located on our website at www.girlsincofbaycounty.org on the “Programs” page under “Parent Information”.

*****Summer Camp Registration is NOT complete until after you “Check Out” AND come into the office to sign updated consent forms and fill out a contact card. Failure to do so will jeopardize your placement.*****

There are many Summer Camp options listed under Activities. Here are few tips to help make things easier.

1. We are offering summer camp at both of our centers- Main Center, Panama City or Beach Center, Panama City Beach. Be careful to register only for the location you want. **To make this easier search for activities by location to see only the options for that center.** To see STEM Camps for middle and high school girls search “ANY” location as they are not location specific.
2. **Entire Summer- Main Center or Entire Summer- Beach Center-** This option makes registering for the full summer easier and provides you a **\$45 dollar discount**. However, **you will be responsible for the full cost even if your daughter does not attend** the whole summer as we will be holding a spot for her that cannot be given to someone else if she doesn't attend.
3. **Choose only the weeks you want** (to make easier, search by Location):
 - June 11-15, 2018- Main Center
 - June 11-15, 2018- Beach Center
